Fees are based on a sliding scale. Most Insurances and DSHS Coupons Accepted. Our staff will gladly help low-income women find ways to pay for services.

**Pre-Abortion Instructions**

We welcome you to bring a family member, friend or partner.  
 You should have something light to eat before your visit.  
 Your appointment will last approximately 2 to 3 hours.  
 When you make your appointment, please inform our staff if you have any medical conditions.

**Driving instructions:** From I-5 North or South: Exit at James Street. Turn East onto James. Follow James to Broadway. At Broadway Turn Left. Follow

Broadway to Madison. Aurora Medical Services is located in the red brick building on the northwest corner of Broadway and Madison. Parking is available at metered on-street locations as well as parking lots in the area.

**At Aurora Medical Services we respect the decisions you make regarding your healthcare, and we work hard to make our office a comfortable, positive space where your privacy is carefully protected. We know that reproductive health decisions can sometimes be hard and we are here to offer support and education to all women.**
